VERNON'S
**going out of
business sale**
Starts Tomorrow Morning

We want the people of this community to realize the importance of this sale. For 20 years, the Vernon Clothing company has enjoyed a steadily increasing volume of business, built on a solid foundation of selling good clothes at a smaller margin of profit than the majority of the stores. The building we occupy is going to be torn down. We have tried to find another location and have failed. We are through! We must sell every article in our immense stock!

Fine, new merchandise is offered for you in this gigantic sale---right ahead of Christmas

AT SAVINGS OF 25% to 50%

THINK WHAT THIS MEANS! YOU CAN STOCK UP ON GOOD
CLOTHES AND SUPPLY ALL OF YOUR CHRISTMAS
GIFT WANTS AND SAVE NEARLY AS
MUCH AS YOU SPEND!

There's just one thing we want to urge on everybody---that is come to this sale early. There is going to be a tremendous rush for this fine stock the way we have slaughtered prices on it, and it won't last long. Come tomorrow if you can while selections are best.

But above everything else come! You owe it to yourself to get in on these bargains.
